Charges

A fee of £350.00 plus an additional surcharge based on the cost of works at current day prices, as noted on the table of Scale of Fees, is charged for each application for a property inspection.

The application should be accompanied by the appropriate fee for the required amount. Cheques should be made payable to Argyll & Bute Council.

The Service is limited to a single inspection. A further fee of £175.00 is required for each additional inspection. It is therefore important that any works identified following the first inspection are correctly implemented.
