2: What are the likely impacts of the policy?

For each protected characteristic you should identify any particular impact that the policy may have for the group. Impacts could be positive or negative and both should be described.

If there are no impacts on a particular protected characteristic then state your reasons for this within the response box. This demonstrates that you have considered the impact on each characteristic.

<p>Will the policy impact on the whole population of Argyll and Bute?</p> <p>Will the policy impact on particular groups within the population of Argyll and Bute?</p>	<p>No equality impacts are expected on the wider Argyll and Bute population.</p> <p>Potential equality impacts for pupils under 19 years of age within the population of Argyll and Bute who access school clothing grants. Removal school clothing grant will have a higher impact on low income families with the predominance being single parents.</p> <p>The proposed reduction in staffing levels in the School Support Services will have a negative impact affecting predominantly female employees delivering administrative and clerical and Attendance Officer functions across Education Services in Argyll and Bute. This is representative of the employment profile of the Council as a whole.</p> <p>The proposals will mean a reduction in the overall number of centrally deployed employees (4FTE) and Attendance Officers (4FTE) and the risk of potential redundancies. As part of the Service Choices consultation process the Service will ensure all possible opportunities to mitigate the risk of redundancy will be fully explored and with HR through the</p>
